BT2 Network Install – Installing the Network Licence Server (Concurrent users Licence) Introduction:

- → The BT2 Network Licence Server install may take approximately 2 minutes to complete.
- ➤ This guide is for the installation for a multi-user BT2 addition.
- Serial Numbers for BT2 Network Licence Server will be provided by Buildsoft Pty Ltd and these are your licensing keys.

## Preparation:

- 1. Logon to the server with Administrator rights/privileges.
- 2. Locate and/or download the BT2 Network Licence Server Installer.

## Installation:

- 1. In the Preparation section you should have downloaded and/or located the BT2 Server Installer.
- 2. Double click on the BT2 Network Licence Server Installer "BT2NetworkLicenceServerInstaller.exe"
- 3. Click **Next** to begin the installation.
